

**Directions to Stoney Point Cemetery
(in Mapsco under “Chambliss”, a town which no longer exists)**

Take 75 North toward McKinney.

At this point 121 and 75 North are the same road. Stay on 75.

Take Exit 45 toward Bonham. Go about 2.5 miles.

Turn right on FM 545. Go about 4 miles.

(Watch for Sonic, Texaco, and Shell stations just before 545).

The road winds around, and then passes a fertilizer plant on your right.

Watch for a white fence with a windmill in yard on left.

There is a small Stoney Point sign on the left, but it is easy to miss.

Go Right on gravel road to cemetery.

If you end up in Blue Ridge you have gone too far.

You can get to 545 by taking 5 but you will go through all the old parts of town.

You can also exit too soon on 121 when it splits off before the “real” exit 45 toward Bonham.
This will also get you there.
